Subject to the following paragraph, a claim in dependent form shall contain a reference to a claim previously set forth and then specify a further limitation of the subject matter claimed. A claim in dependent form shall be construed to incorporate by reference all the limitations of the claim to which it refers. Please note that the form of claim 9 is incorrect.

2. Claims 2-8 and 10-20 allowed.

3. The following is an examiner's statement of reasons for allowance: the prior art does not anticipate nor render obviousness as to a method of forming a wiring board having grooves and filled with a photoconductive material using a transparent polyethyleneterephthalate film.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
